custommadeSOLUTIONS

If you have a budget for spending on a custom made furniture solution, that you so desperately require, then let our company quote you for it.

custommadeSOLUTIONSmadeeasy

We will measure the area you wish to fit out and produce a drawing and quotation for your approval before proceeding with the order.

Don't just take our word for it, this leaflet gives some of the examples of jobs we have undertaken

St. Joseph's Primary, Blantyre

Main School Office - Work surfaces, storage units, filing systems and counter unit at reception window.

**Claremont High
East Kilbride**

Library units made to last with painted steelwork and matching coloured shelves, tops, gables and backs. Matching Librarian workstation with storage/filing options.

Crosshouse Primary, East Kilbride

Head Teacher's Office - Work surfaces, storage units, tray units with matching coffee table and chairs

for further information telephone: **01698286401**

**Glengowan Primary,
Larkhall**

Meeting/Conference Table - Any size available.
This table is 2800x1500x675mm high capable of seating 14 persons. Below the surface a 16 compartment unit provides a valuable resource for storage.

Udston Primary, Blantyre

Main School Office - Work surfaces, storage units, filing systems and counter unit at reception window.

Woodhead Primary, Hamilton

Classrooms with matching chairs and tables. Recessed area in each classroom has a custom built storage system with closed cupboards and open shelving above to match the colour of classroom tables.

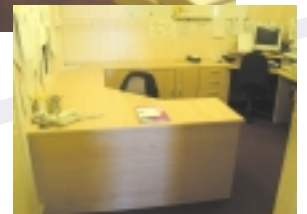

St Peter's Primary, Hamilton

Main School Office - Work surfaces, storage units, filing systems with feature display/storage on end.

St Peter's Primary, Hamilton

Computer Resource Room - suitable workstations made to specific height and size to fill the space provided.

We will be pleased to supply further details of schools to contact, if references are required. For further information contact us on the number below.

St. Mark's Primary, Hamilton

Main School Office - Make even the smallest office functional for two people to work by utilising the opposite corners as work areas with storage and drawer units using all available space.
