Custom made solutions

Transform even the smallest office, make the meeting table into a storage unit, create your own mailbox/storage unit, invest in your school's study areas and build in storage resources to any recessed or awkward spaces. *Don't just take our word for it, here are some examples of jobs we have undertaken.*

MUIREDGE PRIMARY SCHOOL
Uddingston

Multipurpose resource creating distribution mailboxes for teachers and other storage provision. These units can be built to fit almost any area, recess, hallway, corridor or room.

GLENGOWAN PRIMARY Larkhall

Meeting/Conference Table - Any size available. This table is 2800x1500x675mm high capable of seating 14 persons. Below the surface a 16 compartment unit provides a valuable resource for storage.

HALLSIDE PRIMARY Cambuslang

Deputy Head Teacher's Office. Maximum functionality has been achieved by careful thought and planning in this office. This photograph only shows part of the office.

CLAREMONT HIGH East Kilbride

Library units made to last with painted steelwork and matching coloured shelves, tops, gables and backs.

WOODHEAD PRIMARY Hamilton

Classrooms with matching chairs and tables. Recessed area in each classroom has a custom built storage system with closed cupboards and open shelving above to match the colour of classroom tables.

Work surfaces, storage units, tray units made to accommodate whatever you require.
